

Fontaine Revolution® repair solutions

NOTE: Trim excess End Plate material per instructions.

RASR Siderail Repair Kit (REV-SR-12-KIT)

Revolution Siderail repair kit includes:

- (2) End Plates (00762115)
- (1) 12' siderail section (REV-SR-12)

www.fontainetrailer.com/videos.html and select "Revolution Siderail Repair"

Scan this QR Code to see Installation and Weld Drawings or go to: www.fontainetrailer.com/info_media_library.html and select "Siderail Repair Drawings"

www.fontainetrailer.com/info_media_library.html and select "Siderail Repair Drawings"

RASR Winch Track Repair Kit Options

Outer Track Section (50822327)

- (1) 12' OUTER Track Section (cut to fit damaged area)

NOTE: This is the best choice if the outer track is damaged and the inner track is not damaged. This is a quicker repair requiring fewer cuts, fewer welds and less material.

Inner and Outer Track Section (50822329)

- (1) 12' INNER & OUTER track section (requires cut to fit damaged area)

If the INNER track is damaged replacing BOTH tracks with part number 50822329 is required. Do not attempt to repair the inner track without replacing the outer track.

Scan this QR Code to see Winch Track Installation and Weld Drawings or go to: www.fontainetrailer.com/info_media_library.html and select "Winch Track Repair Drawings"

Revolution Floor Repair

84" Aluminum I-Beam Floor Section (50822379)

Makes the repair quick and easy (cut to fit damaged area)

Scan this QR Code to see a helpful video on Revolution floor repair or go to: <http://www.fontainetrailer.com/videos.html> and select "Revolution Floor Repair"

IMPORTANT: Please contact Fontaine for Major Damage

We make it **EASY!**
