We Make it Easy!
Did you know that Fontaine PartSource is the...

Exclusive Revolution Parts Supplier!

- Fontaine’s patent pending signature lighting system by Grote® offers enhanced style and several performance advantages compared to ordinary lighting systems.
- Simpler design features fewer connections with 60% fewer components for superior reliability.
- Wiring harness and connections are protected by bolt-on cover plates for greater durability.
- Harness is positioned under the center of the trailer between the main beams so it is shielded from tire spray and severe weather.
- Lights are recessed for excellent impact protection.
- Built to handle the toughest environments and backed by a 10-year warranty on the entire electrical system, including the LED lights.
- Sealed replacement LED lights are available immediately from Fontaine PartSource®.

We make it EASY!
Outfit your trailer before it leaves the plant with the new Fontaine PartSource® Cargo Control Kit

Your choice of two kit brands:
Paramount Cargo Control Kit
Ancra Cargo Control Kit

Each kit contains:
- Quantity (30) corner protectors
- Quantity (15) 4"x 30' straps
- Quantity (2) 5/16" lever binder
- Quantity (2) 5/16" ratchet binder
- Quantity (4) 5/16"x 20' chain with hooks
- Quantity (1) box of bungees
- Quantity (1) winch bar

We make it EASY!
Outfit your trailer before it leaves the plant with the new Fontaine PartSource® Cargo Control Kit.

**Revolution Siderail repair kit includes:**
- (2) End Plates (00762115)
- (1) 12' siderail section (REV-SR-12)
- 84” Aluminum I-Beam Floor Section (50822379)

Makes the repair quick and easy (cut to fit damaged area).

**IMPORTANT:** Please contact Fontaine for Major Damage.

**NOTE:** This is the best choice if the outer track is damaged and the inner track is not damaged. This is a quicker repair requiring fewer cuts, fewer welds and less material.

If the INNER track is damaged replacing BOTH tracks with part number 50822329 is required. Do not attempt to repair the inner track without replacing the outer track.

**RASR Winch Track Repair Kit Options**

- **Outer Track Section (50822327)**
  - (1) 12' OUTER Track Section (cut to fit damaged area)

  NOTE: This is the best choice if the outer track is damaged and the inner track is not damaged. This is a quicker repair requiring fewer cuts, fewer welds and less material.

- **Inner and Outer Track Section (50822329)**
  - (1) 12' INNER & OUTER track section (requires cut to fit damaged area)

  If the INNER track is damaged replacing BOTH tracks with part number 50822329 is required. Do not attempt to repair the inner track without replacing the outer track.

**Revolution Floor Repair**

**84” Aluminum I-Beam Floor Section (50822379)**

Makes the repair quick and easy (cut to fit damaged area)

**IMPORTANT:** Please contact Fontaine for Major Damage.
